Free money for college or career training is possible for many people in Washington!

**If you receive ABD, HEN, PWA, or EcSA, then you meet the income requirement for WA Grant before you even submit a FAFSA or WASFA financial aid application. Get connected!**

## Recipients of these programs meet WCG-Connect's income requirement:

- Aged, Blind, or Disabled (ABD) Program
- Housing and Essential Needs (HEN) Referral Program
- Pregnant Women Assistance (PWA)
- Economic Security for All (EcSA)

## How to get WA Grant through WCG-Connect:

- Apply for admission to a participating college or training program.
- Contact your college's financial aid office.
- Have your confirmation of enrollment in an eligible WCG-Connect partner program available.

**Want even more money? Submit a FAFSA so you don't leave federal aid, other state aid, or institutional aid on the table. Contact support services or your financial aid office for help completing a FAFSA or WASFA.**
