Good morning, WSD Team,

Today is the day we start! We kick-off [Public Service Recognition Week \(PSRW\)](#) celebrating the invaluable service you all provide to our customers and your communities. The first full week in May has been set aside for over 30 years to honor those who serve at all levels of government.

During this week, celebrations will take place at all WorkSource offices, and there are two ESD all-staff town halls and three in-person events are planned in Olympia, Spokane and Tri-Cities. We value your dedication and generous hearts ([PSRW 2025](#)).

This morning, we start celebrating at 10 a.m. with the first of two PSRW virtual celebrations! I encourage you to join in the festivities, connect with your peers, and celebrate together. If you can attend one or both events, we'd love to have you there!

STEWARDSHIP

Each year, Washington recognizes state employees who consistently excel above expectations. [PSRW 2025 award winners](#) have been announced; and five ESD teammates received awards this year: Daniel Salazar, ESPI, received the Extra Mile Award and our Equity, Diversity & Inclusion Team — Sade Britt, Ariel Kay-Barto, Nadine Nabass and Avis Mailey — received the Leadership Award.

For us, you are all award winners. You are essential to our team's success and the work we do to uplift one another and our communities. We've made a special video message to kick-off week's celebrating. Please take a minute to listen.

### Ish and Alberto – Celebrating Our Workforce!

We look forward to all the sharing and connection this week as we come together and celebrate all of you with joy, gratitude, and a shared sense of purpose.
