Subject: WPC DOL Reports' Webpage Announcement – Enhanced PIRL Participants by Category (aka the PIRL “Slicer & Dicer”) Dashboard

Hello all, below is some information, regarding the new enhancements.

A. New Enhancements

The DI team has received the following requests, for the WPC [PIRL Participants by Category \(aka the PIRL “Slicer & Dicer”\)](#) data sets:

- 1) Request to add exiter counts, for the denominators and numerators, as part of the cohort.
- 2) Request to add exiter information, for the record level [PIRL Participant Lists](#), or both the [Online Report](#) (record level data), and the [Export List](#) (record level data) data sets, and add a new [Exit Date \(If applicable\)](#) column for the [Export List](#) (record level data) data set.
- 3) Request for the [Online Report](#) (record level data), and [Export List](#) (record level data), *for more usability*.

Important Note: All of the WPC [Department of Labor \(DOL\) reports](#) dashboards will have the above enhancements applied to them, but it will be done in stages. This implementation is the 3rd stage of 5 stages.

1st Stage - MSG Completion Rate and Credential Attainment Rate dashboards

- For these dashboards, #A1 and #A2 above are **DONE** – with February 18th enhancement implementation.
- For these dashboards, #A3 above is **DONE** – with February 18th enhancement implementation. By working with a workgroup, the February 18th enhancement implementation *also included* updating/modifying the [PIRL Participant Lists](#) for the [Online Report](#) (record level data), and [Export List](#) (record level data), *for more usability*.
 - Thank you to all who were involved in this workgroup! The workgroup crossed all partners, of who the enhancements affected! Your help was invaluable! 😊

For all of the below stages - We will revisit the [PIRL Participant Lists](#) for both the [Online Report](#) (record level data), and the [Export List](#) (record level data), per each dashboard listed below, *for more usability* (#3 above), as we did for the MSG Completion Rate and Credential Attainment dashboards' workgroup, once we implement exiter numerator and denominator counts, for the outcomes' data sets (#A1 above), and exiter information for both the [Online Report](#) (record level data), and the [Export List](#) (record level data) (#A2 above), per each dashboard listed below. We will set up a workgroup(s), to accomplish these usability tasks/research.

But, with this February enhancement implementation, the [PIRL Participant Lists](#) both the [Online Report](#) (record level data), and the [Export List](#) (record level data), for the below dashboards, *will have* the exiter records (Those who exited, within the most recent certified PIRL) and the [Export List](#) (record level data) will also now include, the [Exit Date \(If applicable\)](#) column (#A2 above). That new [Exit Date \(If applicable\)](#) column will grow, with each weekly refresh.

2nd Stage – Employment and Education Rate, Median, and RESEA Performance Measures dashboards

- For these dashboards, #A1 and #A2 above are **DONE**, with this enhancement implementation, February 25th

3rd Stage - PIRL Participants by Category (aka the PIRL “Slicer & Dicer”) dashboard

- For this dashboard, #A1 and #A2 above are **DONE**, with this enhancement implementation, March 4th

4th Stage - Veterans QRA and Adult Barriers QRA dashboards

- For these dashboards, #A1 and #A2 above enhancements will be implemented on Tuesday, March 11th

5th Stage - MSFW Monitor Advocate dashboard

- For this dashboard, #A1 and #A2 above enhancements will be implemented on Tuesday, March 18th

- **PMs** - Performance Measures (PMs)
 - The Department of Labor (DOL) describes why it is so important to report performance:

WA state is not in a “pilot” state, and we are only currently being monitored, by DOL, for the QRAs. But the DI team has been verbally told by DOL, in an official DOL national ZOOM call, that DOL is on the horizon for laying out all of the DOL QRAs, in official DOL guidance (TEGLs, TENS).
 - The DI team is not clear on whether the QRAs will only be held accountable, by DOL, at the statewide level, once DOL official guidance (TEGLs, TENS) is published.
