## WorkSource Advisory Team Charter

Create a WorkSource portfolio that focuses on the right things, at the right time, in the right way.

WORK Source

Aproud partner of the American Job Center network

The WorkSource I&T Advisory Committee is accountable for assessing operational feasibility and organization readiness for the Project.

Date: March 2025

#### **Purpose:**

The WorkSource Technology Governance process is established for ESD and WorkSource partners to oversee, prioritize, and inform technology to support WorkSource staff and customers efficiently and effectively.

#### **Team Expectations:**

- Ensure work priorities are aligned with technology solutions that meet the needs of job seekers, employers, and staff.
- Encourage a collaborative work environment across divisions, WorkSource offices, and Workforce Development Councils.
- Evaluate and recommend proposed technology software and hardware solutions.
- Review and recommend updates to established priorities, as needed.
- Encourage and ensure external partner and business sponsorship of technology work efforts.
- Monitor technology work efforts, and assist in he identification and resolution of issues, risks, and problems.
- Transparent communication, grace and understanding with each other.
- Actively engaged and ready to reach, identify resources/SMEs wherever needed to ensure successful implementation.
- Inform agency participants and stakeholders of ITSD work priorities.
- Share pertinent information with the WorkSource Steering Committee.
- Provide input on and reviews of project work plans and schedules.
- Commitment to come prepared to meeting. (Read materials sent in advance)
- Maintain all decisions in a decision log.

## **Process/Structure:**

- Monthly Virtual Meetings 90 minutes
- Advisory discussions are limited to topics on the meeting agenda
- Agendas will be sent out a week in advance
- Agenda topics should be sent to Anne Goranson and Anne Buchan no later than a week prior to meeting

## **Guiding Principles:**

- Define the customer and customer first, be passionate advocates for our customers – internal and external
- Open to collaboration
- Integrity
- Always teaching and learning from each other
- Efficient and with purpose
- · Listen with intent to hear
- Be open minded and flexible
- Embrace healthy conflict
